

KNIGHTS

The Knights Templar

*Founded in 1119, the Knights Templar
were a monastic order who protected
pilgrims on their crusade to Jerusalem
Headquartered on Temple Mount, the site of the
old Temple of Solomon, The Knights Templar
had moneyless beginnings until 1129 when they
received official recognition from the Catholic
Church, giving them influence, wealth and land.
Their luxury was short lived, however,
when King Henry VIII cut ties with
the Catholic Church and transferred
ownership of all church property
to his newly formed Church of
England. The Knights Templar
were evicted from Clontarf Castle
and it was reinstated as a military
stronghold by the Royal Family.*

Champagne, France

Created in 1869 Moët Impérial is Moët Champagnes iconic house champagne. A blend of Pinot Noir, Pinot Meunier and Chardonnay, it shows a vibrant intensity of green apple and citrus fruit with white flowers and blond notes of brioche, cereal and fresh nuts.

VEUVE CLIQUOT, BRUT, NV 12 €150.00

Champagne, France

Our signature champagne since 1772, this Brut showcases the fine art of blending. With a predominance of Pinot Noir to provide that typical Clicquot structure, a touch of Meunier rounds out the blend whilst Chardonnay adds elegance and finesse. As they say, the proof of a Champagne House is in its Brut Non-Vintage!

CHAMPAGNE DOM PERIGNON VINTAGE 12 €450.00

Champagne, France

2009 was climatically irregular and, taken as a whole, hot and dry. The cellar-based ripening of the vintage was very slow. The wine was largely dominated solely by the fruit's ripeness. It was not until 2015 that the comprehensiveness and harmony of its first plénitude was finally revealed. Dom Pérignon 2006 is superlative, luminous and glorious. Its original generosity - ample and tactile - is enhanced by a clear structure that gives it freshness and precision.
